Now, let's watch the race and get ready to cash your ticket!

BEGINNER INFO

Simple Wager

The first is a simple wager which is more conservative. A simple wager requires you to choose only one horse to win, place or show.

WIN: You collect the "Win" payout if your horse finishes first.

PLACE: You collect the "Place" payout if your horse finishes first or second.

SHOW: You collect the "Show" payout if your horse finishes first, second or third.

INTERMEDIATE INFO

Exotic Wager

While allowing the possibility of a larger payout for the money you wager, it is a riskier, more difficult type of wager. The Daily Double, Perfecta, Trifecta and Superfecta are examples of Exotic Wagers. These wagers require you to bet on several horses in combination, either in the same or different races.

Daily Double: You must select the winners of two consecutive races.

Exacta: You must select the horses which finish first and second, in the exact order, in the same race.

Trifecta: You must select the horses which finish first, second and third, in the exact order, in the same race.

10¢ **Superfecta:** You must select the horses which finish first, second, third and fourth, in the exact order, in the same race.

50¢ Pick 6: You must select the winning horse of 6 consecutive races

TECHNIQUES FOR EXOTIC WAGERS

Boxing Your bets

Used in bets where you must select the proper order of winning horses. Place bets on every possible winning combination for the number of horses selected. Or ask a Teller to box your bets.

*For example, Running Aces, Race 5, \$1.00 Perfecta BOX 2, 3, 4. Note that this is six bets totaling a \$6 wager.

FAQ's

*You can bet and cash tickets for any race at all windows. Simple wagers and most exotic wagers can be placed "up to the sound of the bell" – which denotes the post time of each race (Please note: you can bet several races at once).

*Pari-mutuel wagering means "Among Ourselves". You win or lose money from other players. You do not play the racetrack as the "house". The track has no interest in which horses win. The track wants you to be a winner!

*Odds are set by amount of money wagered on each horse in a specific race. The odds shown on the infield tote board are updated every sixty seconds until post time when the final odds are set.

*The term "handle" refers to total amount of money bet and can be applied to the daily handle, weekly handle or annual handle.

*Uncashed tickets – Minnesota law requires that all outstanding tickets are removed from the totalizer system and reported to the state of MN 90 days after the close of Running Aces live season. ALL uncashed voucher and wagers that can be clearly identified will be honored at any time.

*Official order of finish and \$2.00 payoffs are posted on the tote board and the in-house television screens as soon as the race is made official.
