TECHNIQUES FOR EXOTIC WAGERS

Boxing Your Bets

Used in bets where you must select the proper order of winning horses. Place bets on every possible winning combination for the number of horses selected, or ask a teller to box your bets.

For example: Running Aces, Race 5, \$1.00 Exacta Box 2, 3, 4.
Note that this is six bets totaling a \$6 wager.

Wheeling or Keying Your Bets

This is also referred to as Keying. It is used in bets where you must select the proper order of multiple horses, and you feel confident about place in which one of the horses will finish. This technique is most commonly utilized with a horse being selected for First. Keying is a technique that can be used with Exacta, Trifecta, Superfecta and multiple race wagers.

Here's an example.

"Running Aces, race 5, two dollars to win on number 8" Before you leave the mutuel window, check your ticket and make sure it is exactly what you asked for. It is important to do this before you leave the window. Now, let's watch the race and get ready to cash your ticket!

GENERAL WAGERING INFORMATION

- ✓ You can bet and cash tickets for any race at all windows. Simple wagers and most exotic wagers can be placed “up to the sound of the bell” - which denotes the post time of each race (Please note: You can bet several races at one time.)
- ✓ Pari-mutuel wagering means “Among Ourselves”. You win or lose money from other players. You do not play the racetrack as the “house”. The track has no interest in which horse wins. The track wants you to be a winner!
- ✓ Odds are set by the amount of money wagered on each horse in a specific race. The odds shown on the infield tote board are updated every sixty seconds until post time when the final odds are set.
- ✓ Watch the odds for favorites. Odds are being set by other fans with many of the more experienced players. However, betting favorites on average only finish first one-third of the time.
- ✓ Check your daily racing program for current driver and trainer standings to see who's hot!
- ✓ You will find daily racing program selections at the bottom of each race. These picks are made by the track handicapper.
- ✓ The term “handle” refers to total amount of money bet and can be applied to the daily handle, weekly handle or annual handle.
- ✓ Uncashed Tickets - Running Aces requires that all outstanding tickets be cashed before April 1st of the year following their purchase, after which date all winning uncashed tickets revert to the state. Please cash all winning tickets immediately. If tickets are mailed, enclose a self addressed stamped envelope and send by registered mail to: Mutuel Department, Running Aces, 15201 Running Aces Blvd, Columbus, MN 55025.
- ✓ Stringent race officiating is conducted by the Minnesota Racing Board of Stewards.
- ✓ Official order of finish and \$2.00 payoffs are posted on the tote board and the in-house television screens as soon as the race is made official.
