**NEW FOR 2021 RACING SEASON!**

**THE .50 CENT PENTAFECTA IS BACK**
Running Aces proudly offers the “Hi-5” or Pentafecta wager again. This wager was extremely popular last season and produced some very large pools with an average .50 cent payoff of over $900.00.

*The .50 cent Hi-5 will once again be offered in the last 2 races every night*
*This wager requires you to select the top 5 finishers in exact order in a single race*
*Should there be no winners with the exact top 5 finish order, the entire pool will carry over to the next scheduled Hi-5 race*

**SAMPLE HI-5 WAGERS & TICKET COSTS:**
Example wagers and how to ask for your wager:
- "Running Aces Race 9 ... Hi-5 ... 5 with 4 with 1,2,6 with 1,2,6" = Cost $3.00
- "Running Aces Race 10 ... Hi-5 ... 1 with 2 with 3 with 4,5 with 4,5,6,7" = Cost $3.00

**HOW TO PLACE A WAGER**
Select the exact order of finish but combines multiple straight wagers. Commonly used when confident that a horse will win.

**EXAMPLE:** Running Aces, Race 6, $1 Exacta, 6 / 3-4-5 
(Horses must finish 1st, 2nd, & 3rd. Two bets totaling a $2 wager)

**FREQUENTLY ASKED QUESTIONS**
Uncontested tickets – MN law requires that all outstanding tickets are removed from the totalizer system and reported to the state of MN 90 days after the close of Running Aces live season. ALL uncashed voucher and wagers that can be clearly identified will be honored at any time.

You can bet and cash tickets for any race at all windows. Simple wagers and most exotic wagers can be placed “up to the sound of the bell” – which denotes the post time of each race (You can bet several races at once).

**RUNNING ACES INTRODUCES THE NEW 20 CENT J ackpot Pick 5 Wager**
Calculating pick bet ticket costs is fairly simple, just multiply the number of horses that you are playing in each leg (race) of the bet sequence, then multiply that number by the base bet amount (20 cents for each leg of the pick 5) from the example wager above, it’s 1x2x3x2x2 which equals 24. Then 24 x 20 cents equals the ticket cost of $4.80.

Remember, multiple winners will be paid every night, and the jackpot pool will build until there is a single unique ticket. After each jackpot is won the jackpot pool will start over on the next racing night. Good luck. You could be the next big jackpot winner!

**EXAMPLE:** Running Aces, Race 6, $1 Trifecta, 6 / 3-4-5 / 3-4-5 
(6 must finish 1st, 3rd, 4th, or 5th, 2nd)
