Join the Aces Rewards Players Club for your FREE membership, which is full of valuable perks and benefits. Use your card every time you play your favorite card games like Blackjack and Live Poker to earn comp points redeemable for cash, chips, food or merchandise. Using your card while wagering on live or simulcast horse races will make you eligible for the rebate program and the racing VIP card.

While you are earning comp points to redeem for cash or chips, you are also earning tier points. Tier points determine your tier level status and have no cash or chip value. Members can earn their way to higher levels, with each level delivering even richer rewards. All points are based on carded play.

HERE'S HOW IT WORKS

- ♥ **HEART LEVEL:** No minimum points are required to reap the rewards of this tier, and there's more excitement ahead when you play your way up the ladder to one of our VIP tier levels.
- ♦ **DIAMOND LEVEL:** Achieve this level by earning a minimum of 500 tier points.
- ♣ **CLUB LEVEL:** Achieve this level by earning 10,000 tier points and attain this top honor for pit players. This is Running Aces' top tier level, which yields the richest rewards possible.
- ♠ **SPADE LEVEL:** Achieve this level by earning 350 exclusive poker tier points and you'll achieve this level—the highest tier for poker players.
- 🏇 **RACING LEVEL:** Achieve this level by earning 3,000 exclusive racing tier points.

Earn tier points while using your Aces Rewards Card, playing your favorite live poker and pit games or while wagering on horse racing. For every hour of live poker, earn two tier points. Pit games' tier points are calculated by time, average bet and game. Earn one racing tier point for every four dollars wagered on live or simulcast races. Pit and poker tier points are combined to acquire your tier level status. Racing tier points are not combined with pit or poker points. To retain current tier level status, you must maintain the minimum amount of tier points for your level. Tier level points are recalculated according to the qualification periods below and your status is adjusted to match your tier points level.

TIER POINT QUALIFICATION PERIODS

JANUARY 1 - JUNE 30
JULY 1 - DECEMBER 31
