*Disclaimer: In Blackjack, the qualifying hands need to be the first cards in the player's hand. The 2 Aces of Spades need to be the first two cards the player receives. The 3 Aces of Diamonds need to be the first three cards the player receives (this can be the third card if the player splits their Aces). If 3 Aces hit on the board for Ultimate Texas Hold'em, Mississippi Stud, or EZ Baccarat either Player or Banker, we will pay the table (all players participating in the hand at the time it was hit). This will be awarded to every betting spot (limit one winner per betting spot). This does not pay out on side bets, only the main betting spot/hand/player. Not valid on Stadium Gaming Terminals. In 3 Card Poker, the individual player must get 2 Aces to win. In Pai Gow, the Joker can be used as an Ace to qualify for 4 Aces. All guests of Running Aces are eligible to participate in these promotions. Aces Rewards membership required. Membership is free. Running Aces reserves the right to cancel or modify these promotions without prior notice. Running Aces supports responsible gaming.*
